ATLANTA, Georgia — *Transport Topics* has named 3PD a "Top 100 For-Hire Trucking Company" for 2007.

It is 3PD's first appearance on the annual ranking, which is compiled based on net North American revenues for a calendar year; 3PD ranked 75th on the list based on 2007 revenues of nearly \$300 million.

However it is 3PD's second honor from the publication which also named it a "Top 50 Logistics Provider" in August 2007.

"As a former in-house transportation professional, I have a tremendous amount of respect for all of *Transport Topics*' lists, because they reflect the industry's biggest and best outsourcing options," said 3PD CEO Karl Meyer.

"We're pleased to have made this prestigious list."

*Transport Topics* is one of the trucking industry's oldest and most widely read trade publications. Published weekly, it reaches more than 30,000 professionals involved in transportation operations, planning, purchasing and maintenance.
