ATLANTA, Georgia — *Transport Topics* has named 3PD a "Top 50 Logistics Company" for 2008.

It is 3PD's second appearance on the annual ranking, which is compiled based on net North American revenues for a calendar year; 3PD ranked 35th on the list — moving up 12 slots from last year — based on 2007 revenues of \$275 million.

3PD also ranked 12th on the publication's list of "Top 25 Dedicated Contract Carriers."

"*Transport Topics*' Top 50 list has always featured some of the industry's biggest and best players. We're thrilled to have made the list again, and we're pleased to have improved our standing on it so significantly," said 3PD CEO Karl Meyer.

Transport Topics is one of the trucking industry's oldest and most widely read trade publications. Published weekly, it reaches more than 30,000 professionals involved in transportation operations, planning, purchasing and maintenance. It has been issuing a Top 50 list since 2002.
